

Equipment hire is a voluntary service offered by Kiewa Catchment Landcare to assist with weed and rabbit control, and to improve soil health in our area. To ensure the smooth and on-going operations of this service, the following hire conditions apply:

Hire conditions:

- The hirer agrees to return equipment promptly to the place of hire at the end of the hire period
- The equipment will only be used by the hirer, and will only be used for its intended purpose
- The hirer shall ensure the equipment is returned clean of soil or any other foreign matter, and spray tanks are thoroughly cleaned. Fuel tanks on any equipment should be returned full of fuel when the equipment is returned.
- The hirer will be responsible for any loss or damage to the equipment (fair wear and tear excluded) during the hire period. If there is a breakdown or failure of equipment then the hirer shall return the equipment, and the hirer shall not attempt to repair the equipment
- The hirer will assume all risks and liabilities in respect to the use of equipment, and discharges and indemnifies Kiewa Catchment Landcare Groups Inc from all claims during the hire period.
- Hire is only available to members of Kiewa Catchment Landcare Groups Inc. Annual membership is \$25.00. New members who wish to hire equipment are required to subscribe for a minimum of two years. Join or renew KCLG Inc membership here
- <https://kiewacatchmentlandcare.org.au/index.php/join-kclg>
- Hire of equipment is on a “first come – first served” basis. This may result in delays in obtaining equipment during periods of peak demand
